

Tele one 03

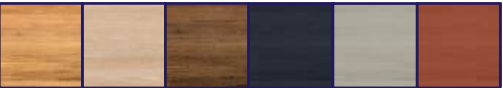

120cm x H: 75cm

Design: Wojciech Mierzwa

Tele One embodies technical precision and natural warmth. In this iteration of the table, the starkness of metal meets the organic texture of wood, creating a form that is understated yet strongly defined.

The base of the table consists of a slender steel leg, finished with a textured powder coating. Its geometric rigour ensures stability and introduces a modern, architectural rhythm to the interior. It is the foundation upon which SNAPP's most valuable asset rests – the meticulously crafted detail.

Finishing	O/OW/OC/DDB/DWG/DRB*	
Size 03.01	100cm x H: 75cm	
Size 03.02	120cm x H: 75cm
